ACKNOWLEDGMENT OF TRIP MEMBER RESPONSIBILITY, EXPRESS ASSUMPTION OF RISK, AND RELEASE OF LIABILITY

Trip Name: Scottish Highlands Volunteer Trip – 2019

I understand that during my participation in this Conservation Volunteers International Program Inc. trip, I may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in each trip and cannot be eliminated without destroying the unique character of the trip. These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage, and death (“Injuries and Damages”) from exposure to the hazards of travel and Conservation Volunteers International Program, Inc. has not tried to contradict or minimize my understanding of these risks. I know that Injuries and Damages can occur by natural causes or activities of other persons, animals, trip members, trip leaders and assistants or third parties, either as a result of negligence or because of other reasons. I understand that risks of such Injuries and Damages are involved in adventure travel such as Conservation Volunteers International Program trips and I appreciate that I may have to exercise extra care for my own person and for others around me in the face of such hazards. I further understand that on this trip there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which I may be exposed.

In consideration for my acceptance as participant on this trip, and the services and amenities to be provided by Conservation Volunteers International Program, Inc. in connection with the trip, I confirm my understanding that:

1. I have read any rules and conditions applicable to the trip made available to me; I will pay any costs and fees for the trip; and I acknowledge my participation is at the discretion of the leader.
2. The trip officially begins and ends at the location(s) designated by the Conservation Volunteers International Program, Inc. The trip does not include carpooling, transportation, or transit to and from the trip, and I am personally responsible for all risks associated with this travel. This does not apply to transportation provided by Conservation Volunteers International Program, Inc. during the trip.
3. If I decide to leave early and to not complete the trip as planned, I assume all risks inherent in my decision to leave and waive all liability against Conservation Volunteers International Program, Inc. arising from that decision.

4. Likewise, if the leader has concluded the trip, and I decide to go forward without the leader, I assume all risks inherent in my decision to go forward and waive all liability against Conservation Volunteers International Program, Inc. arising from that decision.
5. As a participant, I will have free and unsupervised time during, before or after the start of the trip. This may include periods of free time, or participant time alone while engaged in independent travel away from the group. Conservation Volunteers International Program may provide information to trip participants regarding local recreation opportunities or areas available during free time or provide transportation to and from activity sites. I am exclusively responsible for my conduct and activity choices during this independent free time. During both supervised and unsupervised activities, I, with all trip participants, share in the responsibility for my own safety and the safety of the group

This Agreement is intended to be as broad and inclusive as is permitted by law. If any provision or any part of any provision of this Agreement is held to be invalid or legally unenforceable for any reason, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable to the fullest extent allowed by law, I agree to **WAIVE, DISCHARGE CLAIMS, AND RELEASE FROM LIABILITY** Conservation Volunteers International Program, Inc., its officers, directors, employees, agents, and leaders from any and all liability on account of, or in any way resulting from Injuries and Damages, even if caused by negligence of the Conservation Volunteers International Program, Inc. its officers, directors, employees, agents, and leaders, in any way connected with this trip. I further agree to **HOLD HARMLESS** Conservation Volunteers International Program, Inc., its officers, directors, employees, agents, and leaders from any claims, damages, injuries or losses caused by my own negligence while a participant on the trip. I understand and intend that this assumption of risk and release is binding upon my heirs, executors, administrators and assigns, and includes any minors accompanying me on the trip.

I have read this document in its entirety and I freely and voluntarily assume all risks of such Injuries and Damages and notwithstanding such risks, I agree to participate in the trip.
